

# VIVEK VARDHAN V

## Data Science & Engineering

### About Me

I am a passionate data science student currently pursuing B.Tech at Manipal Institute of Technology. I am enthusiastic about using data to gain valuable insights and solve real-world challenges, and I find the possibilities of data science exciting for transforming industries and making data-driven decisions.

### Projects

#### DBMS

- Railway System Database

#### Data Structures

- Bus Reservation System

Dear Sir/Madam,

I am writing to express my enthusiastic interest in the GILP at NATION WITH NAMO. With a keen passion and a strong academic foundation, I am confident in my ability to contribute effectively to your team.

My academic background includes Btech.Data Science & Engineering, where I have gained a solid understanding of technical and communication skills. Additionally, my extra curricular activities have equipped me with the necessary skills to excel in a dynamic and challenging internship environment.

I believe my strengths align well with the requirements of the GILP position. I have honed my skills in leadership and team work. My proactive approach to challenges, coupled with my strong analytical and communication skills, makes me well-suited to thrive in the dynamic environment at NATION WITH NAMO.

Thank you for considering my application. I am eager to further discuss how my skills and experiences align with the goals of NATION WITH NAMO during an interview.

I appreciate your time and consideration and look forward to the possibility of contributing to the success of NATION WITH NAMO.

Sincerely,

Vurumind Vivek Vardhan.
